PRODUCT INFORMATION

DXN Cinnamon Herbs Bag

Good Morning DXN!

On 6th May 2018, DXN's Silver Jubilee celebration, with the theme 'One DXN One Family', was held on a grand scale in Malaysia. True to its theme, the DXN family from every continent in the world, gathered together to celebrate DXN's journey of 25 years. It was a joyous celebration where all of us had the chance to meet and mingle, sharing knowledge and experiences. It didn't matter whether we were from Asia, Africa, Europe, Latin America, Oceania or the Middle East, during the celebration, we were of only one mind and one nation, the DXN nation.

With countless innovative transformations and vast improvements, DXN has seen continuous progress in the past 25 years of its establishment. DXN is now ranked the Top 22 Direct Selling company worldwide under the Direct Selling News (DSN)'s Global 100 ranking for the year 2017. Congratulations to all of you for working hard together with DXN and achieving this notable distinction. Advancing two more steps from the 2016 listing, we are now a step closer to becoming the world's No1 direct selling company.

With 25 years of success behind us, we are now looking forward to the future with big plans already in motion. We hope to introduce more food products in the future, and collaborate with our Korean counterparts to give you true Korean beauty products. We also hope to establish a mushroom study and research institute in the future. I also recently launched my own book, "My DXN Journey", with the hope that it will inspire and motivate you, and give you some insights about me and DXN.

All these developments are to aid you, in your pursuit of good health and financial independence. To help you grow your business and achieve all your goals and dreams. DXN's goal is to make all of you a free person, where you can do anything you want, go anywhere you want, live in any place you want and buy anything you want. Your time is your own. That is our goal for you.

So believe in yourself. Have faith in your capabilities. Sponsor. Sponsor. Sponsor. In time, you will achieve your goals. Always remember, as long as you are doing something good, you will always get good results. So be positive and remain strong.

Thank you.

早安德信!

得到了世界各地会员的踊跃参与，共同欢庆德信25年历程。这项庆典活动让大家有机会见面与交流，同时分享知识与经验。无论来自亚洲，非洲，欧洲，拉丁美洲，大洋洲还是中东，在这期间，大家共同拥有一个心灵，一个国家，亦即德信之国。

凭借无数的创新转型和巨大的改进，德信在成立的过去25年中不断取得进步。德信于2017年入榜为年度直销新闻(DSN)之全球100强中，名列全球第25。在此恭贺大家多年来的努力并获得此项荣誉。我们现在距离世界第一的直销公司又迈前了一步，比往年提升了两级。

且阅下25年的成就，我们已开始了其他大型计划，期待更好的未来。我们希望将来能建立一个蘑菇研究所，以推出更多的食品系列，并与韩国合作，为您提供真正的韩国美容产品。此外，我也在近期推出了一本自撰的书，名为“我的德信之旅”。希望能激发您，并给于一些关于德信与我的见解。

德信所有的发展都是为了帮助您追求健康及财务独立。德信的目标是让大家都成为一个快乐自由的人，让您能随心所欲追求梦想。

相信您自己的能力。 招募， 招募， 招募。随着时间的推移，您一定会实现目标。永远记得，只要您做的事情是好的，得到的结果总是好的。所以您必须要积极并保持强势。

谢谢。

Selamat Pagi DXN!

Pada 6 Mei 2018, sambutan Jubli Perak DXN dengan tema 'Satu DXN Satu Keluarga', telah diadakan dengan penuh gilang gemilang. Bertepatan dengan temanya, keluarga DXN dari setiap pelusuk dunia, telah berkumpul bagi meraikan kejayaan DXN selama 25 tahun. Ianya merupakan sambutan yang sangat menggembirakan apabila keseluruhan tetamu berpeluang untuk bertemu dan beramah mesra dengan satu sama lain serta berkongsi ilmu dan pengalaman. Tidak kisah dari benua mana sekalipun kita berasal, sama ada Asia, Afrika, Eropah, Amerika Latin, Oceania atau Timur Tengah, kerana ketika sambutan tersebut, kita semua berasal dari satu negara yang sama iaitu negara DXN.

Dengan pelbagai transformasi yang berinovasi dan pembaharuan yang pesat, DXN telah memperlihatkan kemajuan yang berterusan selama 25 tahun sejak penubuhannya. DXN kini berada ditangga ke-22 dalam Direct Selling News (DSN)'s Global 100 bagi tahun 2017. Tahnia kepada semua yang telah bersama-sama bekerja keras dengan DXN dan hingga sampai ke tahap ini. Naik dua anak tangga dari senarai bagi tahun 2016, kita kini berada satu langkah lebih hampir untuk menjadi syarikat jualan langsung nombor 1 di dunia.

Dengan kejayaan yang telah kita kecapai selama 25 tahun, kita perlu memandang ke hadapan dengan rancangan-rancangan yang besar yang telahpun digerakkan. Kami berharap untuk memperkenalkan lebih banyak produk berasaskan makanan pada masa hadapan, dan bekerjasama dengan rakan kami di Korea untuk membawakan lebih banyak lagi produk kecantikan Korea yang tulen. Kami juga berharap untuk memulakan sebuah kajian yang berkaitan dengan cendawan dan menubuhkan sebuah institut kajian di masa hadapan. Baru-baru ini saya telah melancarkan buku saya yang bertajuk "My DXN Journey", dengan harapan ianya akan memberikan inspirasi dan motivasi kepada anda, dan memberikan anda sedikit sebanyak gambaran mengenai saya dan DXN.

Segala pembangunan yang telah dilakukan adalah bertujuan untuk membantu anda dalam mendapatkan kesihatan yang baik dan juga untuk bebas dari segi kewangan, bagi membantu anda mengembangkan perniagaan dan mencapai segala matlamat dan cita-cita anda. Matlamat DXN adalah untuk menjadikan anda seorang yang bebas, yang membolehkan anda untuk melakukan apa sahaja yang anda inginkan, pergi ke mana-mana sahaja, tinggal di mana-mana tempat yang anda suka dan beli apa sahaja yang anda inginkan. Masa anda adalah milik anda. Ini adalah matlamat kami untuk anda.

Oleh itu, percaya pada diri sendiri. Percaya dengan kemampuan anda. Taja. Taja. Taja. Anda pasti akan dapat mencapai matlamat anda. Sentiasa ingat, selagi mana anda melakukan sesuatu yang baik, anda pasti akan mendapat hasil yang baik. Jadi teruskan bersikap positif dan kuat.

Terima Kasih.

德信肉桂药草汤包
Cinnamon Herbs
Bag DXN

Healthier life with DXN Cinnamon Herbs Bag!

德信肉桂药草汤包让您的生活更健康!

Hidup lebih sihat dengan
Cinnamon Herbs Bag DXN!

For centuries, herbs and spices have been widely used in meal preparations due to their health benefits. The preparation of soups, that are filled with a variety of herbs and spices, is a great culinary art to supplement your healthy diet besides providing a distinctive aroma and taste.

Nowadays, people are increasingly looking for fast and simple ways to prepare healthy food, however the time it takes to gather all the herbs and spices for a perfect soup preparation, is a problem.

DXN resolves the problem and satisfies your health-conscious needs by introducing the DXN Cinnamon Herbs Bag which brings you the ultimate herbal essences of 10 herbs and spices. DXN Cinnamon Herbs Bag is a culinary herbal soup with the perfect combination of *Angelica sinensis*, *Ligusticum striatum*, *Codonopsis pilosula*, *Polygonatum odoratum*, *Piper nigrum L.*, *Ramulus Cinnamomi*, *Illicium verum*, *Cinnamomum verum*, *Glycyrrhiza glabra* and *Ganoderma lucidum* in ideal proportions. The 10 herbs and spices are readily prepared in sliced dry form packed in a cotton filter bag which allows you to cook a perfect clear soup easily. The DXN Cinnamon Herbs Bag does not contain any artificial flavourings, seasonings or colourants in order to preserve the authentic taste and nutritional value of the herbs.

With the DXN Cinnamon Herbs Bag, you can now prepare healthy soups easily – no muss, no fuss. Grab the DXN Cinnamon Herbs Bag from your nearest DXN branch today to fill your body with the nutrients from the herbs and spices while indulging in the wonderful aroma and taste of herbal soups.

自古以来，草药和香料对人体健康具有丰富益处而被广泛使用。制备汤料时添加草药和香料除了可以增添香味之外，它也是一种很好的烹饪配方，以补充您的健康饮食。如今社会讲求的是快捷而易备的健康饮食。然而，在短时间内准备所需的草药和香料却是现代人面对的最大难题。

德信向您推介德信肉桂药草汤包，它完美混合了10种顶级草药与香料以解决您的顾虑，同时也满足您的健康需求。德信肉桂药草汤包以黄金比例混合了当归、川芎、党参、玉竹、黑胡椒、桂枝、八角、桂皮、甘草与灵芝等草本精华在其汤包中。德信将晒干的切片草药与香料均置于棉制滤袋内，不含任何人造香料、调味料或色素，让您轻松煮出完美的健康草药汤。

有了德信肉桂药草汤包，您可以轻松制备健康的草药汤，摆脱烦恼，无需费力。今天就前往附近的德信分店购买德信肉桂药草汤包，补充您身体所需的营养，同时尽情享受香喷喷的草药汤吧！

Sejak berabad lagi, herba dan rempah ratus telah digunakan secara meluas dalam penyediaan makanan kerana khasiatnya kepada kesihatan. Penyediaan sup yang dipelbagaikan dengan herba dan rempah ratus merupakan seni kulinari hebat yang dapat memberi kebaikan kepada pemakanan anda selain dari memberikan aroma dan rasa yang tersendiri. Kini, lebih ramai masyarakat mencari makanan sihat yang mudah dan pantas untuk disediakan. Walau bagaimanapun, masalah kekangan masa untuk mendapatkan herba dan rempah ratus sering dihadapi oleh para suri rumah untuk menyediakan sup yang lazat.

DXN menyelesaikan masalah dan memenuhi keperluan kesihatan anda dengan memperkenalkan Cinnamon Herbs Bag DXN yang memberikan inti pati 10 jenis herba dan rempah ratus. Cinnamon Herbs Bag DXN adalah sup herba kulinari dengan gabungan sempurna *Angelica sinensis*, *Ligusticum striatum*, *Codonopsis pilosula*, *Polygonatum odoratum*, *Piper nigrum L.*, *Ramulus Cinnamomi*, *Illicium verum*, *Cinnamomum verum*, *Glycyrrhiza glabra* dan *Ganoderma lucidum* dalam jumlah yang ideal. 10 jenis herba dan rempah ratus ini telah dikeringkan dan dibungkus dalam beg penapis kapas yang membolehkan anda untuk menyediakan sup yang enak dengan mudah. Cinnamon Herbs Bag DXN tidak mengandungi sebarang perasa atau pewarna tiruan bagi mengekalkan rasa yang unik dan khasiat dari herba-herba tersebut.

Dengan Cinnamon Herbs Bag DXN, anda kini boleh menyediakan sup yang sihat dengan mudah. Dapatkan Cinnamon Herbs Bag DXN di cawangan DXN yang berhampiran dengan anda hari ini untuk mendapatkan khasiat dari herba dan rempah ratus sambil menikmati aroma dan rasa sup yang mengasyikkan.

SUCCESS STORY DHRUBA TARA SHRESHTHA & BISHNU SHRESHTHA

Good Morning DXN!

My name is Dhrubata Shrestha from the district of Syangja, Nepal.

Due to my financial problem, in 2005, I decided to leave home and come to Malaysia to work in a company in Selangor as a general worker. I worked for 8 years with the company and did not manage to secure freedom either financially or in health.

One day, my friend Shree Prasad Gurung introduced me to DXN's products and its system. Due to the fact that it could help me to earn more money and also its products' benefit to human health, I decided to join DXN in February 2013. Since then, I was a member of DXN but I did not know whether I was in the correct path to achieve good health and wealth.

One day, my upline Double Diamond Dev Lal Giri explained to me about the road to achieve health, wealth and freedom. I kept on learning about DXN and its system and I managed to become a Star Agent within 4 months, Star Ruby in 8 months, Star Diamond in 15 months and I am now an Executive Senior Star Diamond (ESSD).

Back then when I was working with the company, it was really difficult to make ends meet. But now, everything has changed and my family too is happy and healthy as they are now consuming the products. I now know the way to change my life, thanks to a great direct selling company like DXN. I would like to thank my great business partners SSD Jagat Bahadur Thapa, SSD Ganga Jhedi Magar and

all my business partners. Also million thanks to ETD Bhimsen Basnet, EGD Mr. Pukar Chhantyal and the first Crown Ambassador from Malaysia, Mr Lee Gee Kow and Madam Sim Poh Meng.

Heartfelt thanks to Dato' Dr. Lim Siow Jin for providing such a great opportunity to those who are on their way to change themselves, from a nobody to somebody.

“SEE YOU AT THE TOP!”

早安德信!

我是 Dhrubata Shrestha, 来自尼泊尔, 鲜迎县。

2005年, 因为经济上出了问题, 所以我毅然离家, 来到马来西亚工作, 在雪兰莪州的一家公司担任普通员工。工作了8年, 依然没办法解决我在经济和健康方面的问题。

有一天, 我的朋友 Shree Prasad Gurung 先生向我推荐了德信的产品及其系统。由于它可帮助我赚取额外的收入, 同时其产品也对人们有益, 所以我在2013年2月正式加入了德信。然而, 我并不确定所选择的途径, 是否可帮助我实现良好的健康与财富。

直到有一天, 我的上线, 双钻石 Dev Lal Giri 先生向我详细说明了有关实现健康, 财富以及自由之道。因此, 我不断努力学习及了解德信与其系统, 并在短短的4个月内成功升级为明星代理, 而8个月後达到了红宝石明星阶级, 更在15个月後, 进阶为钻石明星, 如今, 我已是执行高级钻石明星。

回想当年还在公司工作时, 总是难以维持生计。但现在, 一切都变得更好了。自从服用了德信产品后, 我与家人的健康也起了明显变化, 大家都幸福快乐。我很感激德信, 教会我如何去改变生活。於此, 我要感谢高级钻石明星的 Jagat Bahadur Thapa 先生和 Ganga Jhedi Magar 先生, 以及所有的商业伙伴。此外, 也万分感激执行钻石明星 Bhimsen Basnet 先生, 执行金钻石明星 Pukar Chhantyal 先生及马来西亚首位皇冠大使 Lee Gee Kow 先生与 Sim Poh Meng 女士。

衷心的感谢拿督林孝仁博士, 为正在改变自己的人, 提供了绝佳的机会, 让无名小卒创出一片天, 荣获身份与地位的目标。

“我们顶峰见!”

Selamat pagi DXN!

Nama saya Dhrubata Shrestha, berasal dari daerah Syangja, Nepal.

Disebabkan oleh masalah kewangan yang dialami pada tahun 2005, saya telah mengambil keputusan untuk datang ke Malaysia dan bekerja di sebuah syarikat di Selangor sebagai seorang pekerja am. Walaupun telah bekerja selama 8 tahun dengan syarikat berkenaan, saya masih belum dapat mencapai kebebasan dalam kewangan dan kesihatan.

Pada satu hari, rakan saya, Shree Prasad Gurung telah memperkenalkan kepada saya produk DXN dan sistemnya. Memandangkan ianya dapat membantu saya dalam memperoleh pendapatan tambahan dan juga kebaikan produknya kepada kesihatan manusia, saya telah mengambil keputusan untuk menyertai DXN pada Februari 2013. Sejak dari itu, saya merupakan seorang ahli DXN tetapi tidak mengetahui jika saya berada di landasan yang betul untuk mencapai kesihatan yang baik dan kekayaan.

Ahli atasan saya, Berlian Berganda (DD) Dev Lal Giri kemudiannya telah menjelaskan kepada saya mengenai cara untuk mencapai kebebasan pada kesihatan dan kekayaan. Saya terus belajar mengenai DXN serta sistemnya dan telah berjaya untuk menjadi seorang Agen Bintang (SA) dalam masa kurang 4 bulan, Bintang Delima dalam masa 8 bulan, Bintang Berlian dalam masa 15 bulan dan saya kini adalah seorang Bintang Belian Kanan Eksekutif (ESSD).

Ketika saya bekerja dengan syarikat tersebut, adalah sangat sukar untuk saya mencukupkan perbelanjaan. Tetapi kini, segalanya telah berubah dan keluarga saya semakin gembira dan sihat memandangkan mereka kini turut mengamalkan produk-produk DXN. Saya kini telah mengetahui cara untuk mengubah kehidupan saya, terima kasih kepada syarikat jualan langsung yang hebat seperti DXN. Saya ingin berterima kasih kepada rakan perniagaan saya yang hebat iaitu SSD Jagat Bahadur Thapa, SSD Ganga Jhedi Magar dan semua rakan perniagaan saya. Jutaan terima kasih juga buat ETD Bhimsen Basnet, EGD Mr. Pukar Chhantyal dan Duta Mahkota pertama dari Malaysia, En. Lee Gee Kow dan Pn. Sim Poh Meng.

Setinggi-tinggi penghargaan ingin saya rakamkan kepada Dato' Dr. Lim Siow Jin kerana telah menyediakan peluang yang hebat ini untuk mereka yang ingin mengubah kehidupan mereka kepada kehidupan yang lebih baik.

“JUMPA ANDA DI PUNCAK KEJAYAAN!”

Herbal Tea

凉茶 (草本茶)

Teh Herba

Malaysia has good weather all the time, so any time is a great time to visit Malaysia, where you can sunbathe on the beach and enjoy the warm climate. However, the hot weather may result in the occurrence of body heatiness and dehydration due to exposure to high temperatures for long periods. At this time, having a cup of herbal tea, which is commonly used locally, will be an excellent way to relieve body heat and add moisture to our body.

Herbal tea is produced from a single or a combination of several number of different herbs, which can be prepared by steeping the leaves, stems, flowers, roots, bark or rhizomes of a particular herb, in hot water, to extract its flavours and nutrients. The term "Herbal tea" is given because unlike other kinds of tea such as black tea, this kind of tea does not originate from a tea bush (*Camellia sinensis*). Most importantly, it is caffeine-free!

There are quite a number of herbal teas available in the market and each of them have been designed to have specific therapeutic or medicinal benefits. According to Chinese Pharmacopeia, there are many herbs that could help to reduce or clear the heat in our body. For example, Xia Ku Cao (*Spica Prunellae*), Gan Cao (*Radix Glycyrrhizae*), Peppermint (*Herba Menthae*), Aloe vera (*Aloe Barbadensis*), Xian Feng Cao (*Herba Bidentis*), etc.^[1].

马来西亚常年都处于好天气，因此，它绝对是个适合让您享受日光浴及感受温暖气候的国家。然而，如果长时间暴露于高温及炎热的天气，这可能导致我们的体温飙升，进而导致脱水现象。这时候，倘若来杯本土凉茶（草本茶），这将有效地帮助降低体温并同时补充体内流失的水分。

凉茶是由一种或几种不同的草药组合而成。它可以不同形式来准备，如将草药的叶、茎、花、根、树皮或根茎浸泡后饮用或以水烹煮提炼。

其之所以被称为凉茶而非传统茶饮是因为它并非取自于茶树 (*Camellia sinensis*)，而且不含咖啡因！

市场上有相当多种类的凉茶，每种都具有特定的疗效或医疗价值。根据中国药典，有很多草药都可以帮助减少/清除体内的热气。例如：夏枯草、甘草、薄荷、芦荟、咸丰草等草药^[1]。

Malaysia mempunyai cuaca yang baik sepanjang tahun, hal ini menjadikan Malaysia sebagai sebuah destinasi yang sesuai untuk dilawati dan menikmati cahaya matahari dan cuaca panas di tepi pantai. Walau bagaimanapun, cuaca panas dan pendedahan kepada sinaran matahari untuk jangka masa yang panjang mungkin mengakibatkan peningkatan suhu badan dan kehilangan air dalam badan. Pada waktu sebegini, teh herba amat sesuai diminum untuk melegakan panas badan dan mengembalikan cecair dalam badan.

Teh herba dihasilkan daripada satu jenis atau gabungan beberapa jenis herba. Ianya boleh disediakan dengan cara merendamkan daun, pucuk, bunga, akar, kulit dan rizom dari herba tertentu dan diekstrak dalam air panas. Teh Herba diberikan nama sedemikian kerana ianya bukan teh yang berasal dari pokok teh (*Camellia sinensis*) dan ianya bebas dari kafein!

Tambahan lagi, terdapat pelbagai jenis teh herba di pasaran dan setiap satu daripadanya telah dicipta bagi tujuan tertentu kepada kesihatan. Merujuk kepada Farmakopeia Cina, terdapat pelbagai jenis herba yang boleh mengurangkan atau menyingkirkan panas dari badan. Sebagai contoh Xia Ku Cao (*Spica Prunellae*), Gan Cao (*Radix Glycyrrhizae*), Daun Pudina (*Herba Menthae*), Aloe vera (*Aloe Barbadensis*), Xian Feng Cao (*Herba Bidentis*) dan lain-lain lagi^[1].

Xia Ku Cao
(*Spica Prunellae*)
夏枯草
Xia Ku Cao
(*Spica Prunellae*)

It is the dried fruit-spike of *Prunella vulgaris* L.,

which are collected in the summer when the spike becomes brownish-red, and dried under the sun once the foreign matter is removed^[1]. Research states that Xia Ku Cao is the strongest herb for reducing and clearing heat as it is bitter, cold and pungent. The cold and bitterness could reduce liver fire; while the pungency may disperse stagnant Qi and constrained heat^[2].

在夏季采集变成棕红色的夏枯草果穗，除去异物并在阳光下晒干。研究表明，夏枯草是一种带有最强去除体热的草药，这是因为它的苦、寒和辛辣性，有助于降温及清除体内热气。据药典，寒性和苦味可以减少肝火；而辛辣则可以帮助解散滞气并控制体温^[2]。

Sejenis buah kering yang berduri dari *Prunella vulgaris* L., yang dikutip pada musim panas ketika durinya berwarna coklat kemerahan, dibuang bendasing dan dikeringkan di bawah matahari^[1]. Terdapat kajian yang menyatakan bahawa Xia Ku Cao adalah herba yang paling mujarab berbanding herba-herba yang lain dalam mengurangkan dan menyingkirkan panas badan disebabkan oleh rasanya yang pahit, sejuk dan baunya yang kuat. Sejuk dan pahit boleh mengurangkan kepanasan pada hati; manakala bau yang kuat mampu menyebarkan Qi yang tidak aktif dan membebaskan haba^[2].

Gan Cao also known as licorice root is the dried root and rhizome of *Glycyrrhiza uralensis* Fisch., *Glycyrrhiza inflata* Bat. or *Glycyrrhiza glabra* L., which are collected in the spring and autumn, removed from the rootlet and dried under the sun^[1]. In addition, Gan Cao is one of the most commonly used botanicals in the herbal remedies of many cultures^[3]. It could be used internally or topically to clear heat and eliminate toxins^[4].

甘草又称生甘草，是取自甘草 (*Glycyrrhiza uralensis* Fisch.)、胀果甘草 (*Glycyrrhiza inflata* Bat.) 或光果甘草 (*Glycyrrhiza glabra* L.) 的干燥根及根茎。甘草主要在春季和秋季采集，然后除去须根后置于阳光下暴晒成干品^[1]。此外，甘草也是草药学中最常用的植物之一^[3]。它适用于内服及外敷，以达到清热解热的功效^[4]。

Gan Cao yang juga dikenali sebagai licorice root adalah akar dan rizom dari *Glycyrrhiza uralensis* Fisch., *Glycyrrhiza inflata* Bat. atau *Glycyrrhiza glabra* L. yang telah dikeringkan dan dipungut pada musim bunga dan musim luruh, dilepaskan dari anak akar dan dikeringkan di bawah matahari^[1]. Selain itu, Gan Cao adalah sejenis tumbuhan yang digunakan dalam perubatan berasaskan herba oleh kebanyakan budaya^[3]. Ianya boleh dimakan atau digunakan secara luaran bagi membuang haba badan dan menyingkirkan toksin^[4].

Peppermint
(*Herba Menthae*)
薄荷
Daun pudina
(*Herba Menthae*)

It is the dried aerial part of *Mentha haplocalyx* Briq., which is collected in the summer and autumn when the foliage branch grows luxuriantly, then dried under the sun^[1]. It has also been used for centuries as a beverage, food product and even in perfumeries^[3].

它是干制地下以上部位的薄荷 (*Mentha haplocalyx* Briq.) 草药，盛产于夏季和秋季。在采集后取其茎和叶等分支部位，置于阳光下暴晒^[1]。数个世纪以来，薄荷常用于饮品、食品甚至用于香水产品^[3]。

Ianya adalah bahagian pucuk dari *Mentha haplocalyx* Briq., yang dikumpulkan pada musim panas dan musim luruh apabila dahannya berdaun merimbun dan kemudian dikeringkan di bawah matahari^[1]. Ia juga turut digunakan sejak berzaman untuk menyediakan minuman, makanan dan juga dalam penghasilan minyak wangi^[3].

Aloe vera is a wonder plant with a lot of health benefits. It has been another popular remedy for thousands of years and is still commonly used today to maintain body temperature due to its cooling properties^[5].

芦荟是一种具有很多健康益处的神奇植物。它拥有千年历史的著名医疗法，基于其性寒特质，至今仍常被用于维持体温，乃是另一种天然降温良品^[5]。

Aloe vera adalah sejenis tumbuhan hebat yang mempunyai pelbagai faedah kepada kesihatan. Ianya adalah salah satu daripada ramuan terkenal sejak beribu tahun yang lampau dan masih digunakan secara meluas sehingga hari ini untuk mengekalkan suhu badan pada kadar yang optimum oleh kerana cirinya yang menyejukkan^[5].

Aloe vera
(*Aloe Barbadensis*)
芦荟
Aloe vera
(*Aloe Barbadensis*)

Gan Cao
(*Radix Glycyrrhizae*)
甘草
Gan Cao
(*Radix Glycyrrhizae*)

In Europe and the Americas, this herb is known as Spanish needle, which is also considered as a herb that can clear heat and toxins^[6]. Besides that, it can also be used as an iced beverage or tea in the summertime to relieve summer-heat^[7].

这种草药在欧洲和美国被称为鬼针草，具有清热解热的功效^[6]。除此之外，它也可以成为冰冻饮品或茶，以降低由夏季引起的炎热体温^[7]。

Di Eropah dan Amerika, herba ini dikenali sebagai Spanish needle, yang juga merupakan herba yang mampu menyingkirkan haba dan toksin^[6]. Selain daripada itu, ianya juga boleh digunakan untuk menyediakan minuman sejuk pada musim panas bagi melegakan panas badan^[7].

Herbal teas have been commonly consumed by Asians for centuries since it is traditionally used to relieve body heat and retain humidity in the body. Therefore, make your own herbal tea to avoid getting sick when traveling around in any hot country including Malaysia. If you have no idea how to prepare a great herbal tea, you are lucky as there are numerous readily-prepared herbal teas available in the market. Just grab one today and enjoy your holiday!

亚洲人饮用凉茶以降低体内热气和同时保持体内所需水分的历史悠久。故此，在游览任何炎热国家（包括马来西亚）时，您也应自备凉茶，以避免炎热的天气导致体温上升，进而影响您的旅程。倘若您对如何自备凉茶毫无头绪，那您别担心，如今市场上随处可见预制好的凉茶。今天就带上解暑凉茶，享受旅行吧！

Teh herba diminum oleh orang Asia sejak berkurun lamanya kerana ianya dapat melegakan panas badan dan dalam masa yang sama dapat mengekalkan kelembapan dalam badan. Oleh itu, teh herba digalakkan untuk diminum ketika bercuti ke negara-negara yang bercuaca panas termasuk Malaysia untuk mengelakkan daripada sebarang penyakit. Jika anda tidak tahu mengenai cara-cara untuk menyediakan teh herba yang hebat, kini terdapat pelbagai jenis teh herba yang telah disediakan di pasaran. Dapatkannya dan nikmatilah percutian anda!
